Friday 12th June, 2020

Dear Parents,

This Sunday is the feast of the Most Holy Body and Blood of Christ. We think about the Eucharist. Our Gospel comes from John 6: 51-58.

Jesus said: "I am the living bread that came down from heaven. If anyone eats this bread, he will live for ever. The bread that I will give him is my flesh, which I give so that the world may live."

Why do you think Jesus chose to talk about bread?

Bread is a very important food. It is a basic food eaten by people all over the world. It is an everyday food that all Jesus' listeners would have recognised and understood.

When was the last time you had some bread? How often do you eat bread? Every day, once a week or just on special occasions?

We remember in our prayers today all those who work to make our food, to make sure that we are fed. We pray for those who do not have enough in our world.

Keyworker Bubble

Children in the key worker bubble have been busy learning about 'Little Red Riding Hood' and creating fruit prints of the item that she carried in her basket.

EYFS

Our Nursery and Reception children have been busy reading 'The Gingerbread Man.' They have been working hard and even found time to bake some of their own gingerbread men.

They have also enjoyed sitting in the garden eating their snack and listening to a story.

Welcome back Year 6!

We welcomed Year 6 back this week. Here is what our pupils had to say:

Coming back to school this week, I was scared and excited. I have really enjoyed learning and seeing all my friends. As a class, we wanted to create a place that we would be able to relax and reflect in. There was a garden that was overgrown behind our classroom so we decided to work together to make it beautiful again. We cleaned it up and planted strawberry and rocket seeds. I can't wait to see how amazing it would look when we finish. (Yannick)

I was excited to come back to school because I got bored at home and missed my friends. We have done lots of PSHE and sports outside which has been a lot of fun - we spend most of our day outside, my legs did get a bit sore but it was worth it! We have been following all of the social distancing rules because it is very important to keep us safe. (Lara)

Year 1 Learning This Week

Children in Year 1 have been able to learn indoors and out. They have done painting and thought about how they can stay safe and healthy. They have enjoyed having lots of chances to play and talk with their friends.

Reading, writing and mathematics have been strong focuses in Year 1, along with making sure they are outdoors and active as much as possible.
